

I Sent You A Boat

© John Palme 2004

Refrain: G C G
I sent you a boat, but you didn't get in it.
 C G
I threw you a line, but you didn't grab hold.
 C Am G C
I drew you a map. I even gave you my compass, mm-mm.
G D G
What's it gonna take to bring you home?

1. That sound at your window when there's nobody there.
Look up from your work. Like a voice in the air.
It's someone you love sending you a prayer
to (drag) pull you back from the ledge of despair.

Refrain:

2. Look deep in your heart. The answer's within.
Don't be afraid of the dark. The dark is your friend.
Take the first step. Let the journey begin
that leads (brings) you back here to me again.

Bridge: Bm Am G
Dear god almighty, hear my plea.
Bm Am C D
Please send my lover back home to me.

3. If you are aware, you will see the signs.
They are there when you need them with plenty of time.
Let your heart and your feet align
And guide you back to me one more time.

Refrain:
