

Jimmy Bruno's Big Score

© John Palme 2004

Riff: E E D D A-A A-A A G

E D A G E D A G

1. On a moon lit night, I went to a movie.

E D A G E D A G

There were lots of special effects but they couldn't fool me.

B A B A

There was no story. There was no plot.

A G A G

All of the actors were phoning in their parts.

B A B A

I paid my money but I wanted more.

G A E D A G E D A G

I was waiting for the big score! The big score!

2. Woke up in the morning feeling kind of weary.

Looked in the mirror, but the image didn't cheer me.

Had a savage monkey sitting on my back.

If you look him in the eye he's ready to attack.

But I understand what he's sitting there for.

Just like me, he's waiting for the big score! For the big score!

3. Zachariah Kingston was sitting in the park.

Tried to make a difference. Tried to leave a little mark.

All those years writing in cafes.

Living like an outlaw in a marijuana haze.

Hustling all his friends through the barroom door.

Just like me, he's workin' on the big score! On the big score, yeah!
